Purpose

This policy and the associated procedure meet the requirement under the *Education Act 2016* for the principal of a State school to develop a policy on levies and charges for each year in accordance with Secretary's Instruction No 9 for School Levies and Charges.

This policy does not detail all requirements for levies and charges practices. These requirements are detailed in full in the School Levies and Charges Procedure.

Policy Statement

Parents with children enrolled at State schools contribute towards the cost of their child's education through school levies and charges. Levies and charges are just one of the ways that parents contribute to their child's school. The Department of Education recognises the other valuable contributions families make to school communities through volunteering, fundraising and other activities.

In adhering to Secretary's Instruction No 9, this Policy and the School Levies and Charges Procedure:

- Schools **MUST** consider inclusive education, family financial constraints and community expectations when determining school levies and charges.
- Levies **MUST** be set at the minimum amount possible.
- The principal **MUST** consult with the School Association in the development of the school-specific School Levies and Charges Policy.
- The school-specific School Levies and Charges Policy **MUST** be developed and implemented in accordance with the School Levies and Charges Procedure.

Levies and Charges Requirements

Schools **MUST** use this section to list their levies and charges for each school year. Schools **MUST** not include details of voluntary contributions (e.g. fundraising through School Association Committee) in this policy.

This section **MUST** be reviewed each school year.

LEVIES FOR 2020

Parents contribute towards the cost of essential items and services that support normal educational instruction through payment of an annual all-inclusive levy for their child.

Once parents have paid the levy, the school will not request any additional payments for essential items or services needed in that school year.

Families who are supported through the Student Assistance Scheme (STAS) do not need to pay levies. Student Assistance Scheme forms can be accessed [here](#), or collected from the front office at the school.

Year level	Amount	Items and services included
Years 7 - 12	\$460	Stationery Excursion and curriculum based activities Other learning materials iPad/ICT access Computer consumables and software

Visiting performances integrated into educational programs
Printing and photocopying
Sport equipment and activities
Library access and supplies

CHARGES FOR 2020

Optional activity or item	Charge	Payment date
School Magazine	\$15	With levies or by 1/11/2020
School photos	Cost determined by photographer and parent/carer selection	Term One 2020

Payment options

Payment of levies can be made in full in Term One each year or by instalments using a payment plan. Payment plans are flexible and can continue throughout the school year.

The flexible payment options available at the school **MUST** be detailed in this section.

If none of the payment options listed is suitable for your family, you are able to request a different payment option through the school's contact person for levies and charges (see next section titled *Communicating about Levies and Charges* for contact details).

Parents can set up a payment plan using direct debit from their bank account, or using BPAY or Centrepay.

Payment plans are negotiated at the time of collecting stationery and are a signed arrangement between the parent/carer and the school detailing the total amount to be collected and the agreed repayment method, amount to be repaid and the timeframe this arrangement is to be completed.

WYNYARD HIGH SCHOOL PAYMENT PLAN OPTIONS INCLUDE:

- Four equal payments to be paid at the end of each term
- Two equal payments, one in week one of Term Two and the other in week one of Term Three
- Fortnightly payments with full payment to be completed by the end of the end of Term 3 2020 (25 September 2020)
- Other arrangement as agreed and signed by both the parent/carer and the School Business Manager

Communicating about levies and charges

The school will communicate levies and charges for the following school year by Week Seven of Term Four each year.

Parents experiencing financial hardship are invited to contact the school for information on the financial support options that are available.

The Financial Services unit within the Department of Education can also be contacted for information on financial support options offered by the Department such as the Student Assistance Scheme at Fin.Serv@education.tas.gov.au or on 1800 827 055.

If you have any questions, or would like to provide feedback on school levies and charges, the contact person for levies and charges at Wynyard High School is: Alison Willcox, School Business Manager via email – wynyard.high@education.tas.gov.au or phone – 03 64422385.

Definitions

Charges are parent payments for optional activities that are in addition to the normal educational instruction at the school.

Levies are an annual parent payment that includes incidental costs and expenses incurred in providing normal educational instruction.

Normal educational instruction means educational instruction that is required to complete any subject or course that students undertake through a State school. This does not include educational instruction that occurs during optional activities that are not required to complete a subject or course.

Parent means a parent or a legal guardian or anyone with care and control of a child.

Principal means the individual in charge of the day-to-day operation of a school.

State school means a Tasmanian State school under the Education Act 2016.

The School Association is made up of the parents, staff and approved community members of a school. An Association exists for each Tasmanian State school, including primary schools, high schools, district schools and colleges.

Student Assistance Scheme (STAS) is a scheme that waives levies for low income families who meet an income test.
